Subject: Mandate M/494 – Mandate addressed to CEN, CENELEC and ETSI for the elaboration of a feasibility study in the field of the Batteries Directive 2006/66/EC

Dear Mrs Brykman,

The CEN Technical Board has duly examined the terms of Mandate M/494 for a feasibility study in the field of the Batteries Directive 2006/66/EC.

BT has concluded that no work will be undertaken by CEN since according to our work repartition the response to M/494 falls under the responsibility of CENELEC, which has accepted the terms of this mandate.

Yours sincerely,

Elena SANTIAGO CID
Director General

CEN/BT Resolution:

BT C074/2011

BT,

- having considered Mandate M/494 for the elaboration of a feasibility study in the field of the batteries directive 2006/66/EC;
- concludes that, according to the work repartition between CEN and CENELEC, no work will be undertaken in CEN in reply to this mandate, bearing in mind that it has been submitted to the CENELEC Technical Board for acceptance.

This resolution is applicable as from: 2011-07-12
